

Summer Fun!

Interactive school holiday programs for all ages.

The sun is out and daylight savings is on the way. Take advantage of the light and run one of our special school holiday programs to entertain kids as the year draws to a close.

Contact Booked Out to book one of the following interactive sessions for your young library visitors during the break.

*To see more on each speaker search your desired name/workshop at www.bookedout.com.au

**National
Year of
